The Rubank Elementary Method book for cornet or trumpet gives students of those instruments an instruction manual that makes individual or classroom study so logical that instrumentalists can rapidly improve their musical technique. It is this ability to convey important concepts so clearly that has made Rubank method books so popular with music instructors, band directors, and students alike. Each Rubank method book carefully matches exercises to the needs of the student and is thoughtfully constructed to present skills coordinated to specific instruments. The well-rounded Rubank trumpet and cornet method book includes all the essentials to build a musician's aptitude: scales, arpeggios, technical studies, studies for musicianship, articulation studies, as well as solo, and duet performances. The Rubank music method series of books provides a fantastic wealth of material for all student musicians.
