The Collector of Lost Things: A Novel Jeremy Page

By critics' favorite Jeremy Page, an arctic adventure story fueled by obsession, passion, and gothic influence

The year is 1845 and young researcher Eliot Saxby is paid to go on an expedition to the Arctic in the hope of finding remains of the by-now-extinct Great Auk, a large flightless bird of mythical status.

Eliot joins a hunting ship, but the crew and the passengers are not what they seem. Caught in the web of relationships on board, Eliot struggles to understand the motivations of the sociopathic Captain Sykes; the silent First Mate, French; the flamboyant laudanum-addicted Bletchley; and most importantly of all, Bletchley's beautiful but strange "cousin" Clara.

As the ship moves further and further into the wilds of the Arctic Sea, Eliot clings to what he believes in, desperate to save Clara but irrevocably drawn back into a past that haunts him?and a present that confronts him with a myriad of dangers.
