The Pocket Guide to Nursing in Corrections: How to succeed in any correctional Environment (Volume 1) MS. Anneika El-Houti

This book offers comprehensive insight for anyone who is interested in working in a correctional environment. It is also a great tool for every Nursing Student, Instructor, or Supervisor who is already working in this type of environment to guarantee success. This is an essential tool for career counselors to all medical student prior to graduating Nursing school, or any medical program where the graduating student may find employment in a correctional facility. Inside this book is real life scenarios to include some "Jail House" Jargon that gives any medical professional who may want to work in a jail, what they will really hear and may see. After reading this book you will be able to avoid pitfalls and it will launch you to success. My book is also a quick read for the new professional with not a lot of time. It fits right in your pocket.
