ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

This 12 month access code care gives you access to all of MyMusicLab's tools and resources, including a complete eText of your book. You can also buy immediate access to MyMusicLab with Pearson eText online with a credit card at www.mymusiclab.com

America's most widely used introduction to jazz text aims at capturing the minds of students to jazz, by teaching them the history of the style and showing them how to listen to jazz critically. While its chronological set up serves as a great resource for beginners, Jazz Styles has been adopted by music history afficianados and advanced musicians because of its in-depth analysis of musical elements and its technical appendices that discuss advanced music theory concepts. This new edition incorporates coverage of new celebrated jazz musicians, and features an online supplement MyMusicLab, which will offer quick ways for students to watch related videos and hear highlighted musical examples.
