Texas College Guide: The University of Texas at Austin (Texas College Guides) (Volume 1) Jessica Givens

All over the world, The University of Texas at Austin is synonymous with academic excellence. However, many aspiring longhorns do not understand how to prepare themselves to compete in the application process to UT Austin. Texas College Guide: The University of Texas at Austin breaks down the knowledge barriers, giving students the information they need to start working in advance and lay the groundwork to make themselves stand out from the pack. This is not a book about tricks or back doors. It presents a detailed evaluation of the various majors available at UT and an assessment of how those majors play out after graduation. Additionally, the guide reviews admissions practices and statistics to give students a realistic appraisal of the processes in place at UT. Finally, Givens incorporates her personal twist on career opportunities and fields of study, as well as provides actual examples of successful UT applicants from previous years. There is no other book like this one on the market.
