The Education of Victoria Angela Meadows

For two years Xcite Books has been satisfying readers with its top quality short story collections. But readers wanted more ...and now they have it with this erotic novel from Xcite short-story writer Angela Meadows.

Packed off to a continental finishing school, 16-year-old Victoria thinks she will be taught how to be a dutiful wife for a gentleman. But she soon discovers that she has a lot to learn in the arts of pleasure at the Venus School for Young Ladies. There she encounters the strictness of Principal Madame Thackeray and her team of tutors.

Under their guidance she learns the finer arts of sexual pleasure and discovers that there are plenty of fellow students and staff willing to share their carnal knowledge with this sweet young English rose. On returning to England, she finds her father in financial difficulty, and must turn her newfound education to good use to save the family estate.
