Patients in a hospital ward are instantly healed. A killer tornado is stopped in its tracks. A dying businessman is cured of cancer. Undeniable miracles are following a rusty station wagon on its journey west. But the person behind them is no charismatic religious figure. He's the six-year-old son of a poor single mother and the possessor of a gift he can't explain. To multitudes, however, Toby Matthews is about to become a New Age messiah--and to unscrupulous opportunists, a ticket to undreamed-of wealth. But one person besides his young mother will see Toby for who he really is. Thomas York, a gifted but searching divinity student, finds in Toby a kindred spirit--brilliant, intuitive, hungry for truth. And as an evil beyond their comprehension unfolds, Truth will become their only weapon against a terrifying enemy unseen by all except Toby. A taut supernatural thriller, *The Prodigy* probes the influence of the invisible realm on the world around us and the indomitable power of the Light that shines in the darkness.
