2008 Index of Economic Freedom

Kim R. Holmes, Edwin J. Feulner, Mary Anastasia O'Grady

2008 Index of Economic Freedom Kim R. Holmes, Edwin J. Feulner, Mary Anastasia O'Grady

When institutions protect the liberty of individuals, greater prosperity results for all. Economist Adam Smith formed this theory in his influential work, *The Wealth of Nations* in 1776. In 2008, his theory is measured — and proven — in the *Index of Economic Freedom*, an annual guide published by *The Wall Street Journal* and The Heritage Foundation, Washington's No. 1 think tank. Since 1995, the *Index* has brought Smith's theories about liberty, prosperity, and economic freedom to life by creating 10 benchmarks that gauge the realities of economic life in countries around the world. With its user-friendly format, readers can see how the 18th century theories on prosperity and economic freedom are realities in the 21st century.
