The Revised Standard Version Catholic Bible: Reader's Version

The Revised Standard Version Catholic Bible's New Testament appeared in 1965, and the whole Bible was published the following year. The RSV remains the translation used in official Church documents, and served as the basis for the scriptural text used in the *Catechism of the Catholic Church*.

The *Reader's Edition* is perfect for anyone needing a straightforward text Bible, whether for reading or personal devotions. It includes a presentation section, prayers and devotions of the Church, and the *Dogmatic Constitution on Divine Revelation (Dei Verbum)*. Gilded page edges and a ribbon marker make for a thoughtful gift.
