Guardians of the Celtic Way: The Path to Arthurian Fulfillment Jill Kelly

A channeled overview of the Celtic path of Arthurian fulfillment, a vision of personal and planetary transformation

- Gives a detailed explanation and overview of the kingdoms of nature and the devic forces that comprise the Divine Mother's kingdom on Earth
- Explains the Celtic calendar and the primary natural forms--animal, stone, tree, flower, plant, and bird--that are activated during the 16-month lunar cycle of emotional growth

According to the Celtic Way, all spirit forces and forms of nature are here to teach and support every individual in attaining his or her full wisdom status. In this way Earth can become a land of beloveds who have fully embodied the laws of love in sacred partnerships, each individual cocreating with the divine. This is the Arthurian fulfillment. It is only through meeting our innermost fears--our shadows and dragons--and transforming them into love that we may emerge as divine humans empowered to lift the entire planet closer to this sacred vision of the peaceable kingdom restored.

Instructed by the guardians of the Other World, trees, animals, and other Earth spirits, Celtic scholar Jill Kelly outlines the cosmology of Celtic mysticism that orders the Divine Mother's kingdom on Earth and that calls humanity to awaken to its sacred potential. *Guardians of the Celtic Way* describes the 142 planes of the soul's descent into the separation from the One, explains the Celtic calendar and how the forces of nature interact with earthly cycles to assist us in bringing about spiritual fulfillment, and gently calls us to follow the Celtic path of ascension and establish Heaven on Earth.
