An unplanned pregnancy. An absent father. Does love really endure all things?

Danielle Kent is 18, pregnant, and hopeful that the child's father-Aaron Lapp-will want to marry her and provide the life she's always dreamed of. Even though Aaron is Old Order Amish, Danielle knows that he wants to leave his community for a life outside of the district. But then Aaron tells Danielle that he doesn't love her-that a wife and baby don't fit into his plans.

Levi Detweiler has enjoyed an unlikely friendship with Danielle for nearly a year, though they have little in common. He's Amish, and she won't even discuss God. When Danielle becomes pregnant with Aaron's child, Levi is sure that Aaron will do the right thing and marry Danielle. When that doesn't happen, God calls on Levi to marry her. It doesn't make sense, and it means that Levi will have to leave his home in the Old Order community to make a life for himself, Danielle, and the baby. Levi seeks God's will in a situation that seems impossible-knowing that only by faith are all things are possible.
