When I Looked Back You Were Gone

Cary Waterman

When I Looked Back You Were Gone Cary Waterman

In Cary Waterman's third and most mature collection of poetry, she writes incisively of family relationships, love, loss, and mortality. This is the voice of a woman who has traveled, literally and spiritually, and whose wanderings have given her a fresh vision of her home landscape of Minnesota. Infused with a deep sense of sympathy for the human condition, Waterman's work is not just poetry, but a kind of literary healing art.
