*WINNING POINTS WITH THE WOMAN IN YOUR LIFE ONE TOUCHDOWN AT A TIME* GIVES THE MAN WHO WANTS TO BE A STAR QUARTERBACK IN LOVE "GAME PLANS"...EXPLAINED IN FOOTBALL TERMINOLOGY.

As the new star quarterback steps into the stadium for the first time, his body and mind fill with anticipation and apprehension for what lies ahead in the coming season. Will he run or pass? How will he win the most games with the fewest fumbles and penalties so that he's the one on the field come Super Bowl Sunday?

The answer boils down to what he's learned from watching, practicing -- and reading the playbook.

The same applies to relationships. For would-be Romeos of all ages who ask, "How do I win in the game of love?" comes a relationship playbook. While mistakes happen in any game -- and any relationship -- many can be prevented by learning the right set of moves and using the correct language that will get you off the bench, in the game, and eventually into the end zone. Using football terminology to reveal the mysteries of women (like what they look for in men) and the best ways to approach, charm, and date them, *Winning Points with the Woman in Your Life One Touchdown at a Time* explains:

- Communication that will help you avoid incomplete passes every time
- Why hitch and go doesn't work in relationships (do what you say)
- Recruiting and stats: things women need you to know
- How to gain the same trust, honor, and respect from a woman that players on a team have for each other
- The last pass: how and where to meet the woman in your life

And much, much more. Peppered with relationship advice from legendary NFL players as well as from Scripture, *Winning Points with the Woman in Your Life One Touchdown at a Time* enables you to peer inside the female mind and heart so that you can find yourself in a great relationship -- without lost yardage.
