If you love Jesus but distrust religion there is a reason. The reason you feel that way is Jesus came to bring the Light and the Word to lead mankind out of the darkness. You are meant to live in communication with the Father through the Holy Spirit every day of your life. Mankind was created to be a spiritual being within a human body. We are being called to an awakening of a New Age fo God that wants us to start living within the spirit as it was intended. Man took the Word and subverted Jesus' intent and created a religion. The seeds of deceit have mislead generations to follow doctrines that are an abomination to the Father. Mans logic and Pagan beliefs have been infiltrated into the churces and God wants you to see the truth. Learn how to hear and follow the guidance of the Holy Spirit. You can discern the truth for yourself and begin to live in the New Age of true worship. If you seek the truth the Father of us all will stretch forth his hand to lead you, to heal, and to give us signs and wonders. He will bring miracles back to the world ( Acts 4:30). When the Holy Spirit moves, the miracles worked by the Son will be to glorify the Father (Acts 3:13). Isn't it time to start living a miracolous life instead of being at the mercy of a world that could care less about you. The world seeks to keep you distracted but you can begin to live a life of purpose. People have not been taught the truth about worship. Instead they have given you words without intent and a bunch of manmade rules and regulations. You can learn to live in His glory and grace. Put aside the deceits of the world and start seeking the truth for yourself. This book holds the keys to opening your eyes, your heart and how to control the mind. Everyone is struggling, searching and wondering what is missing. Why is this life so difficult? The Doctor cannot write a prescription for what is troubling people. Give me a chance to show you an alternative to the madness of the world. God wants to restore faith to His children. The love of the Father is reaching out to His children. Isn't it time to come back to the truth? Answer the quickening in your spirit and take a step closer to the truth.
