Legends of Anglerre shoves a massive battle axe in the hands of the *Ennie Award* nominated *Starblazer Adventures* roleplaying game. This stand-alone fantasy interpretation of the popular *FATE* rules features two detailed settings: - Anglerre, the world featured in the original *Starblazer* fantasy comics, and - *Lords of the Hither Kingdoms*, a brand new setting. Artwork from the *Starblazer* comics brings the worlds to life and will inspire *Story Tellers* to get plotting! Players will be able to start with gritty characters through to epic demi-god like heroes, lead armies, fleets and kingdoms, conduct sieges and build a dynasty. New *FATE* rules include an elegantly simple system for magic and creature powers, personal campaign goals, epic style abilities, combo manoeuvres, magic artefacts and summoning as well as a detailed character background generator. Two introductory adventures, a fantasy campaign generator and fantasy bestiary will help new players jump straight in to the action! Imagine your patrol ship strafing a fleet of galley's defended by dragons and sorcerors! *Legends of Anglerre* is fully compatible with the *Starblazer Adventures* core book, allowing space opera characters to be dropped in to a fantasy campaign.
