## **Odd Time Sticking: Compound Stickings for Odd-Meter Time Playing and Soloing** Gary Chaffee

This book is an extension of Gary Chaffee's popular *Sticking Patterns*. Since the use of different meters has become much more common in contemporary music, the book explores how stickings can be used in a variety of odd meters. It includes a number of sticking phrases for each meter that can then be used to create your own time feel and solo ideas.
