Through brief vignettes and whimsical black-and-white cartoon drawings, *This Is Asperger Syndrome* introduces siblings, peers and other children to the everyday challenges faced by children with Asperger Syndrome at home or at school. Written for children ages 6-12, the book may be read independently by older children and serves as an excellent springboard for further discussion led by parents and teachers. A special section, *Notes on Asperger Syndrome*, at the end of the book summarizes the major characteristics of Asperger Syndrome.
