The night before his wedding, Zander Walsh, his parents, and his husband-to-be are all shot when they return home and interrupt a mysterious robbery in progress. After three weeks in a coma, Zander wakes up to find out he is the only survivor, and his perfect life falls apart in an instant.

Hunky FBI Agent Jake Elliot is investigating the case, and he eventually apprehends the killer-who soon escapes. Following six months of searching, Zander and Jake realize they're being stonewalled by the FBI... and that they have slowly formed an unbreakable bond that is beginning to turn into much more.

Once they embark on a journey to apprehend the killer for the second time, they'll discover that one terrible night was much more than just an interrupted robbery. Can big business and politics cover up the truth, or will Zander and Jake's quest to unravel the mystery be the end of their newfound love and their lives?
