Choral Music Education

Paul F. Roe

Choral Music Education Paul F. Roe

Unusually comprehensive coverage! This highly regarded volume covers the many facets of vocal music education. It is a practical tool for those preparing to be choral conductors and vocal music educators. It is abundant in constructive and insightful information and will remain an important source of many useful ideas and solutions. Special features include: addresses nuts and bolts administrative concerns such as budgets, music, supplies and equipment; offers particular insight to the challenges of junior high vocal music education; presents topics related to conducting, rehearsal technique, style and performance so that students of conducting may be introduced progressively, starting with the basic skills and leading to the finer points of style and performance.
