Hungary (Nations in Transition (Facts on File)) Raymond Hill

Since the first edition of Hungary was published, Hungary has elected several post-Communist governments, Joined NATO, begun membership talks with the EU, and made substantial progress in dealing with its economic problems. This updated and revised edition chronicles the history of Hungary, from its ancient origins to its current affairs. Its accessible text also provides a comprehensive overview of daily life, politics, culture, economy, and foreign policy that characterize the national today. This volume is an excellent introduction to Hungary for students and general reader alike.
