Illustrated Dental Embryology, Histology, and Anatomy - Elsevier eBook on VitalSource (Retail Access Card), 3e Mary Bath-Balogh BA BS MS, Margaret J. Fehrenbach RDH MS

- **Comprehensive coverage** includes all the content needed for an introduction to the developmental, histological, and anatomical foundations of oral health.
- **High-quality anatomical illustrations and full-color clinical and microscopic photographs** enhance your understanding.
- **An approachable writing style** makes it easy to grasp and learn to apply the material.
- **A logical organization** separates the book into four units for easier understanding: (1) an introduction to dental structures, (2) dental embryology, (3) dental histology, and (4) dental anatomy.
- **Summary tables and boxes** provide quick, easy-to-read summaries of concepts and procedures and serve as useful review and study tools.
- **Clinical Considerations boxes** relate abstract-seeming biological concepts to everyday clinical practice.
- **Learning outcomes** at the beginning of each chapter clearly identify the information you are expected to absorb.
- **Key terms** open each chapter, accompanied by phonetic pronunciations, and are highlighted within the text
- **A glossary** provides a quick and handy way to look up terminology.
- **A bibliography** lists resource citations for further research and study.
- **Student resources on the companion Evolve website** enhance learning with practice quizzes including rationales and page-number references, case studies, a histology matching game, review/assessment questions, tooth identification exercises, and WebLinks to related sites.
- **Updated and expanded evidence-based coverage** includes topics such as caries risk, fetal alcohol syndrome, periodontal disease, thyroid hormones and disease, stem cells and dental pulp, and developmental defects associated with specific diseases and conditions.
- **NEW color illustrations and photomicrographs** add detail and enhance comprehension.
- **NEW practice exercises on the companion Evolve website** include quizzes containing 200 self-test questions with instant feedback to help you prepare for examinations.
