Plumbing: Basic, Intermediate & Advanced Projects Merle Henkenius

Plumbing: Basic, Intermediate, & Advanced Projects is a comprehensive how-to book that explains the plumbing system from start to finish. It prepares the reader to handle any plumbing task in the home. Readers find detailed background information from an expert in the field plus scores of how-to projects, including replacing a faucet washer, installing a water softener, and everything in-between. Readers learn not only how to plan and complete each project, but also how to spot and improve outdated or dangerous techniques and materials in their home's plumbing system. The author emphasizes doing things correctly, and all the projects use only code-compliant techniques.
