After a lifetime of New Age “adventures” with her weirdo hippie mom, fifteen-year-old Maddie is realizing a lifelong dream and visiting New York City. Armed with her 130-item to-do list, Maddie hits the streets of New York with her friend Anna and Anna’s brother, Thomas. Maddie drags her friends around on an epic quest for the ultimate art-show outfit, oblivious to the fact that they don’t share her passion for vintage clothing. Three days into the trip, a most unwelcome surprise--the arrival of Maddie’s mother--threatens to derail the entire adventure. As her mother’s obsession with dietary trends and fortune-tellers takes center stage, and everyone’s tempers get thin, Maddie has to face some ugly facts about how she’s been treating her friends.

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Big Apple Effect (Orca Currents) can make you sense more interested to read.
