Finally a book that concisely and logically explains the complex geopolitical scene in the world today in a clear and understandable way. The fourth beast of Daniel 7 has been destroying, devouring, crushing, and trampling the whole world for almost two hundred fifty years. The fourth beast is “different from all the other kingdoms” in that it is not based in a geographic location or political nation, rather in the global elite who come together in secret societies ruling from a platform of financial power. These secret societies ultimately worship Satan and have been empowered by him to dominate and destroy the world with the One World Order preparing the world for the reign of the antichrist. The works of the fourth beast are described in the four horsemen of Revelation who represent the four ways the fourth beast tyrannizes the world today: one world ideology, one government, one economy, and a culture of killing. These horsemen do devour, crush, and trample the whole world as the fourth beast is prophesied to do. In this book you will find prophetic teaching on the verses of Scripture that give revelation to what is happening today. You will understand why it is important for you to be aware of how prophecy is being fulfilled in current events and how you can spiritually prepare for the tribulation ahead.
