The Man Who Saved Britain: A Personal Journey into the Disturbing World of James Bond Simon Winder

Bond. James Bond. The ultimate British hero--suave, stoic, gadget-driven--he was more than anything the necessary invention of a traumatized country whose self-image as a great power had just been shattered by the Second World War. Bond's creator, Ian Fleming, was an upper-class wastrel who had found purpose and excitement in the war, and to whom, like so many others, its end was a terrible disappointment--the elation of survival stifled by the reality of the new British impotence. In 1952 Fleming set out to repair this damage. By inventing the magical, parallel world of *secret* British greatness and glamour, he fabricated an icon that has endured long past its maker's death.

To grow up in England in the 1970s was to grow up with James Bond, and *The Man Who Saved Britain* is first of all the story of the author's relationship with the "national religion." Simon Winder lovingly and ruefully re-creates the nadirs and humiliations of fandom while illuminating what Bond's evolution--from books to film, from his roots in the 1940s to his "managed decline" today--says about the conservative movement, sex, the monarchy, food, attitudes toward America, class, and everything in between. *The Man Who Saved Britain* is an insightful and, above all, entertaining exploration of postwar Britain through the palliative influence of one of its most legendary icons, the larger-than-life Agent 007.

From reader reviews:

Edward Phillips:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a go walking, shopping, or went to the particular Mall. How about open or even read a book eligible The Man Who Saved Britain: A Personal Journey into the Disturbing World of James Bond? Maybe it is to get best activity for you. You already know beside you can spend your time with the favorite's book, you can cleverer than before. Do you agree with the opinion or you have other opinion?

Randall James:

What do you concentrate on book? It is just for students since they are still students or it for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't want do that. You must know how great in addition to important the book The Man Who Saved Britain: A Personal Journey into the Disturbing World of James Bond. All type of book are you able to see on many sources. You can look for the internet resources or other social media.

Augusta Wilson:

This The Man Who Saved Britain: A Personal Journey into the Disturbing World of James Bond is great reserve for you because the content that is full of information for you who all always deal with world and get to make decision every minute. This book reveal it information accurately using great coordinate word or we can claim no rambling sentences inside it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but difficult core information with lovely delivering sentences. Having The Man Who Saved Britain: A Personal Journey into the Disturbing World of James Bond in your hand like finding the world in your arm, data in it is not ridiculous one particular. We can say that no book that offer you world in ten or fifteen minute right but this publication already do that. So , it is good reading book. Hey Mr. and Mrs. stressful do you still doubt which?

Harold Singleton:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Man Who Saved Britain: A Personal Journey into the Disturbing World of James Bond can make you experience more interested to read.
