The Murder Game JULIE APPLE

For fans of *The Secret History* and *How to Get Away With Murder* comes an exciting new voice in suspense fiction. Ten years working as a prosecutor have left Meredith Delay jaded and unsure of what she wants out of life. She's good at her job, but it haunts her. Her boyfriend wants her to commit, but she keeps him at arm's length. Then Meredith is assigned to a high-profile prosecution involving the violent murder of a fallen hockey star. At first, it appears to be just another case to work. But when her old friend Julian is accused of the murder, it takes on a whole new dimension. Meredith, Julian, Jonathan, and Lily were a tight-knit group in law school. But now, Jonathan's defending Julian, and Lily's loyalties aren't clear. And when Julian invokes a rare—and risky—defense, Meredith is forced to confront their past. Has something they played at as students finally been brought to death?
