The True Adventures of Nicolo Zen Nicholas Christopher

A richly detailed historical novel from master storyteller Nicholas Christopher that *School Library Journal* calls “[A] lush tale of music, magic, and intrigue”!

Nicolò Zen is all alone in 1700s Venice, save for his clarinet, which a mysterious magician had enchanted, allowing its first player to perform expertly. Soon Nicolò is a famous virtuoso, wealthy beyond his dreams, but he can't stop wondering if he earned the success himself—or what might happen if the spell were removed. And throughout it all, he continues to think about the girl he met in Venice, what she might be doing and if she's safe from harm.

With a guest appearance by composer Vivaldi, and brimming with fascinating period details, this is a compelling coming-of-age story full of universal themes and a love story that will conjure memories of Romeo and Juliet, perfect for teens who love stories set in other times, and a magician who dresses all in white and can be in two places at once. . . .

From the Hardcover edition.

Find this book and read it from now!

Kelli Smith:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The True Adventures of Nicolo Zen can make you experience more interested to read.
