The Watercolor Artist's Handbook

The Watercolor Artist's Handbook

This fundamental guide to creating beautiful watercolor paintings includes practical advice and features demonstrations of both traditional and experimental methods. Students learn techniques that make the most of the translucent quality of watercolor pigments and discover ways to achieve a variety of effects that include creating convincing cloud formations, foliage, sunlight, and mist. Titles in the new *Artist's Handbook Series* are designed for dedicated amateurs but will also be used and valued by professional artists. Each title in the series has a sturdy hardcover binding, allowing it to be taken out to the field as handily as it is used in the studio. The books' hidden spiral bindings keep pages lying flat, so students can work freely with their art materials without having to fight with their instruction manual. Each title supplements textual instruction with more than 400 color illustrations showing paintings in various stages of completion. There is detailed information on artists' tools, techniques, mixing colors, creating special effects, and trouble-shooting to correct errors. All *Artist's Handbooks* show examples of works by famous artists in the respective media to help students see how each medium has been used by world-renowned masters.

Katie Mueller:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this The Watercolor Artist's Handbook can make you feel more interested to read.
