The Weiser Field Guide to Ascension: The Meaning of Miracles and Shifts in Consciousness Past and Present (Weiser Field Guides) Cal Garrison

Tackling a vast and often misconstrued topic, *The Weiser Field Guide to Ascension* delivers the layman's guide to historical, biblical, and the highly topical implications surrounding the earth shift and changes of 2012, the End Times and our role in all of these.

What will happen to my loved ones? Will I have the same memories in the Next Dimension? How can I prepare for the Great Shift? Garrison addresses these natural human concerns with humor and practical suggestions for making the most out of the coming earth changes and our shift into a universal consciousness. Her message is simple: **The ascension process is about us moving out of ignorance and darkness into an expanded vision of who we are.** And this guide will prepare readers on just how to do that.
