The Bridge Jill Cox

Meredith Sullivan has three goals: Win the Beckett Scholarship to study abroad. Move to Paris for a year. Leave boy-next-door Drew Sutton (and her ridiculous heart) behind. There's only one problem: Pete Russell. Yes, he speaks French like a native, but he's boorish and snarky with a penchant for unflattering nicknames. So when Pete shows up on her flight to Paris, Meredith starts to wonder if that scholarship covers a year in Antarctica instead. But as the autumn leaves begin to fall in the City of Light, Meredith learns a thousand things about Pete she never knew. And to her surprise, she's suddenly torn between the future she'd always imagined with Drew and a new path with the kindred spirit she never saw coming. Because sometimes, what you don't know about a person has already changed your life. **THE BRIDGE** is a sweet contemporary romance, perfect for fans of Jane Austen's **PRIDE AND PREJUDICE** or L. M. Montgomery's **ANNE OF GREEN GABLES**.
