**Benjamin's Field: Ascent (Benjamin's Field Trilogy Book 2)** J. J. Knights

Series Forward (Book 1: *Rescue*) by retired NASA astronaut **Jay Apt**, PhD, veteran of four space shuttle missions.

*Benjamin's Field: Ascent* has been awarded a **five-star review** by the literary site 'Readers Favorite' (readersfavorite.com).

The *Benjamin's Field* trilogy follows a family over the course of sixty years through war, peace, triumph, tragedy, heartbreak, and final happiness as they learn that the people and institutions meant to sustain society often fail - with tragic results.

In Book Two, *Ascent*, Jeremy Kyner, now a teenager, becomes the focus of his teacher's animosity because of his infirmity.

Jeremy's grandfather, Benjamin Kyner, his hired hand, a Catholic priest, a Jewish blacksmith, a courageous girl, a societal misfit, and an unwitting class bully form an unlikely, and at times volatile, partnership to rescue him from the smothering grip of prejudice. With their help, Jeremy literally takes to the sky, defeating his teacher's plans to institutionalize him and forcing her to reveal her own, dark, secret.

Finally, Randy Bridgewater, the long-absent best friend of Jeremy's dead war-hero father, emerges from the past with a surprise twist that propels the reader toward the dramatic conclusion of the *Benjamin's Field Trilogy*.

*Benjamin's Field* is a captivating tale about the journey of life, during which we each experience success and failure, joy and pain, and (if we are lucky) forgiveness and healing.

Especially useful to young readers, but valuable to us all, are the story's lessons about this journey: our greatest achievements are for others, not ourselves; overcoming difficulties makes us stronger; disappointments can be blessings in disguise; help can come from unexpected sources; sometimes one door must close so another can open; it's futile to blame the universe or a higher being for pain that's inflicted by our fellow human beings.
