Editors's Note: Not for the faint of heart, weak of stomach or easily grossed out. So go ahead, how can you resist?!

Tony Gangi, a Philadelphia native, never actually intended to make his living by shoving nails up his nose. He left the corporate world to become a professional magician and proprietor of one of the few flea circuses remaining in the world ("Live fleas do, in fact, perform circus tricks," he says. They just need to be "trained the right way and treated with kindness.")

He's now mastered straightjacket escapes, fire-eating, and napping on a bed of nails. He is currently working on his presentation for walking barefoot on broken glass.

This is his first book. He hopes it is not his last.
