A 'must read' for all fish and fish lovers!

Hiya, fellow fish!

You'll never guess what - I've written a book of New Year's resolutions for fish!

I'm so excited that I can't float on the spot - my fins are all a flutter and force me forward! You know, I just see such a great future for us fish if only we can pull together. We could easily outwit the birds and the fishermen!

Just imagine if the carnivore fish stopped eating us vegetarians and if we all went round pretending we were carrying deadly stings? How different our lives - and our waters - would become!

Oops, it's time I swam on to that bit of coral; I'm supposed to be meeting my buddy Ray. Do take a look at my book and see what you think! I can't wait to see a transformation of fish-kind.
