Air America: The Story of the CIA'S Secret Airlines Christopher Robbins

The incredible inside story of the world's most extraordinary covert operation. Air America - a secret airline run by the CIA - flew missions no one else would touch, from General Claire Cennault's legendary Flying Tigers in WW II to two brutal decades cruising over the bomb-savaged jungles of Southeast Asia. Their pilots dared all and did all - a high-rolling, fast-playing bunch of has-beens and hellraisers whose motto was 'Anything, Anywhere, Anytime'. Whether it was delivering food and weapons or spooks and opium, Air America was the one airline where you didn't need reservations - just a hell of a lot of courage and a willingness to fly to the bitter end.
