This book showcases over 1,000 colorful pieces of Fiesta and features the colors and shapes of the 'post-86' line as well. There are more than 50 new photos, including some rare, never-before-seen pieces. The popular Harlequin, Riviera, and Kitchen Kraft lines are also featured. Kenilworth, a line which has not been included in previous editions, and striped Fiesta are both well documented this time, and the Art China section has been expanded and will include many wonderful new photos of this early line. The authors have also included experimental items from the Homer Laughlin morgue, as well as the historical information so many collectors crave. Finally, current values are addressed and changes have been made to better reflect today's market on both the vintage and post-86 lines.
