Motorcycle racing is a sport that takes man and machine to extremes. These hard roads demand everything - total commitment, total faith - from those who race on them. So what makes these men race? In *Hard Roads*, Stephen Davison - the world's number one road-racing photographer and a man who has unparalleled access to the riders - answers that question. In his incredible photographs and accompanying text, he captures the essence of the sport - the all-consuming passion; the incredible skill and speed; and, the sense of the ordinary and the extraordinary that is the essence of road racing.
