India

India

The exoticism of India is documented by photographer Peter Voss in his portraits and both real and staged scenes of everyday life there. He dramatically and beautifully preserves pictorial narratives that threaten to disappear in India and in the neighboring countries, among them holy men, beggars, musicians, children, and elderly women. These are all motifs captured by Peter Voss's discerning lens.

From reader reviews:

Sheilah Harvey:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is inside the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you obtain the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take India as your daily resource information.

Catherine Scott:
