Each of the 10 Commandments is perfectly formulated common sense that is totally relevant to current times, and popular author Bettie Youngs lifts the veil one by one to reveal the facts and purpose behind each principle. Most teens see the 10 Commandments as a bunch of old rules that no longer apply to them, but once the mystery is removed, it becomes clear that they are as meaningful today as ever before. Adept at making sense of issues at the heart of young adults, Youngs shows how each commandment is an integral part of the foundation for moral and spiritual conduct, as well as for peace and prosperity. This is a highly relevant book that will help teens live in peace, harmony and safety with each other and with God.
