David's fifteenth birthday had much more in store for him than he had expected. Death was lurking, waiting for him to fall asleep once again. The only sanctuary left was Meadon, his father's homeland.

Half heartedly, he went to Meadon, an astonishing world full of surprises. It proved out to be an unforgettable experience of his life with amazing friends and much to explore. In all that happiness, there was something bothering him from inside, all those questions which were left unanswered. Mysteries remained unsolved till he received an anonymous letter promising him to answer all his anxieties.

Would it going to be what it promised or a plot to trap him? Would David be able to escape with the Sword of Honor or he had to offer something in return for his curiosities?
