Chris Kientz, Steve Hockensmith

**The Wrong Wrights (Secret Smithsonian Adventures)** Chris Kientz, Steve Hockensmith  
Schoolmates Dominique, Eric, Josephine, and Ajay are excited about a field trip to the Smithsonian's National Air and Space Museum. When they get there, however, they find a very different museum than the one they were expecting. Not only is it much smaller, it's filled with balloons, blimps, and dirigibles, many of them with the same logo: BARRIS AIRSHIPS. Where's the *Spirit of St. Louis*? Where's the *Apollo 11* command module? Where's the Wright Brothers' 1903 flyer? With the help of a museum "fabrications specialist," they travel through time to try and restore the Wright brothers to their well-earned place in history. Along the way they also learn about aerodynamics and other aviation principles from a wise-cracking A.I. named Smitty. But the kids' story doesn't end there--something is amiss in the next stop on their Smithsonian tour, the National Museum of Natural History--so they'll have to work together to save history again in volume two.
