Life on a Little-Known Planet

Howard Ensign Evans, Illustrations by Arnold Clapman

Life on a Little-Known Planet Howard Ensign Evans, Illustrations by Arnold Clapman

This is the most comprehensive and interesting book on bugs written to date. Chapters include, "The Universe as Seen from a Suburban Porch," "Year of the Locust," and "Water Lizards and Aerial Dragons." Howard Ensign Evans does a remarkable job explaining the appetites, jobs, and dangers of every possible crawling, flying and leaping insect. Even the lowly mosquito deserves respect and has a reason for being here, according to Evans. A real treat for every listener.
