Loves Labours Lost

William Shakespeare

Loves Labours Lost William Shakespeare

The King of Navarre and his three lords, Berowne, Longaville, and Dumaine, swear an oath to scholarship, which includes fasting and avoiding contact with women for three years. They receive a letter from Don Armado, a Spaniard visiting the King's court, telling them that he has caught Costard, a fool, and Jaquenetta, a country wench, consorting in the park. The King announces Costard's sentence, and he and the lords go off to begin their oath. Don Armado confesses to Moth, his page, that he has fallen in love with Jaquenetta. He writes her a letter that he asks Costard to deliver. Meanwhile, the Princess of France has arrived to visit the King. Because of his oath, however, the King cannot receive the Princess and her party at his court; he and his lords must visit them at their camp outside the castle. The three lords fall in love with the three ladies, as does the King with the Princess. Berowne gives Costard a letter to deliver to Rosaline, but Costard accidentally switches it with the letter from Don Armado to Jaquenetta. When he gives Berowne's letter to Jaquenetta, she brings it to the learned Holofernes and Sir Nathaniel to read for her. They tell her that the letter was meant for someone else and to deliver it to the King.
