The International Narcotics Research Conference (Inrc) '89 (Progress in clinical & biological research)

The International Narcotics Research Conference (Inrc) '89 (Progress in clinical & biological research)

This book offers an authoritative, broad-based examination of the latest advances in research on narcotic agents. Over 131 research contributions from leading investigators in the field capture both the dynamism and diversity of scientific interest in the area of opioids and the directions that narcotics research will take in the near future.
