The Surgeon Tess Gerritsen
Performed by Dennis Boutsikaris
Five CD's

Murdering women in the most obscene way imaginable, a sadistic killer terrorizes Boston. The hideous precision of his methods suggests it is a deranged man of medicine, propelling the tabloid press to name him "The Surgeon." The cops' only clue rests with another surgeon, the victim of a similar brutal crime, who killed her attacker before he could complete his assault. Dr. Catherine Cordell is a professional who hides her new terror of intimacy behind a cool and elegant exterior. But Cordell's careful facade is about to crack-as the unknown killer cuts closer to the one woman with the skills to reveal his identity...

Filled with authentic detail that is the trademark of this doctor-turned-author, THE SURGEON is a thriller of unprecedented depth and suspense.
