John, Jesus, and History, Volume 1: Critical Appraisals of Critical Views (Society of Biblical Literature Symposium Series)

John, Jesus, and History, Volume 1: Critical Appraisals of Critical Views (Society of Biblical Literature Symposium Series)

Over the last two centuries, many scholars have considered the Gospel of John off-limits for all quests for the historical Jesus. That stance, however, creates a new set of problems that need to be addressed thoughtfully. The essays in this book, reflecting the ongoing deliberations of an international group of Johannine and Jesus scholars, critically assess two primary assumptions of the prevalent view: the dehistoricization of John and the de-Johannification of Jesus. The approaches taken here are diverse, including cognitive-critical developments of Johannine memory, distinctive characteristics of the Johannine witness, new historicism, Johannine-Synoptic relations, and fresh analyses of Johannine traditional development. In addition to offering state-of-the-art reviews of Johannine studies and Jesus studies, this volume draws together an emerging consensus that sees the Gospel of John as an autonomous tradition with its own perspective, in dialogue with other traditions. Through this challenging of critical and traditional assumptions alike, new approaches to John's age-old riddles emerge, and the ground is cleared for new and creative ways forward. The contributors are Paul Anderson; D. A. Carson; Colleen M. Conway; Paula Fredriksen; Felix Just, S.J.; Robert Kysar; Andrew Lincoln; John Painter; Sidney Palmer; Mark Allan Powell; D. Moody Smith; Tom Thatcher; Marianne Meye Thompson; Gilbert Van Belle; and Jack Verheyden.
