The Heart of an Orphan Amy Eldridge

"The Heart of an Orphan" is the remarkable true story of how one tiny and critically ill baby in a Chinese orphanage inspired a movement to bring hope and healing to thousands of orphaned and impoverished children. Written by Amy Eldridge, founder and CEO of Love Without Boundaries, this poignant chronicle of LWB's life-changing work, told through the stories of individual children, offers personal insight into the complex issues surrounding orphan care, abandonment, international aid, and adoption. Both thought-provoking and inspirational, "The Heart of an Orphan" reminds us all that while the needs of vulnerable children around the world may seem overwhelming, the human heart triumphs in believing that every life has value and every child deserves love.
