Ronnie--or as Mrs. Baumgartner insists on calling her, Veronica--has been babysitting for the Baumgartners since she was fifteen years old and has practically become another member of the family. Now a college freshman, Ronnie jumps at the chance to work on her tan in the Florida Keys with "Doc" and "Mrs. B" under the pretense of babysitting the kids. Ronnie isn't the only one with ulterior motives, though, and she discovers that the Baumgartners have wayward plans for their young babysitter. This wicked hot sun and sand coming of age story will seduce you as quickly as the Baumgartners seduce innocent Ronnie and leave everyone yearning for more!

Warnings: This title contains sand, sun, micro-bikinis, graphic language, seriously erotic erotica, lesbian sex, anal sex, sex toys, a MFF menage (threesome) between an older couple and their teen babysitter that may set your Kindle or paperback on fire and a coming-of-age fantasy that will rock your world.

EXCERPT:

"Now, I'm hungry." His voice was low as he kissed his way back down my neck, lifting my t-shirt, and I let him pull it off over my head.

"God you're something." He looked at me for a moment, shaking his head a little and smiling. The he grabbed my bottom and lifted me, squealing, to the opposite counter, setting me up on it.

"What are you doing?" I smiled, my eyes dipping down past the top elastic band of his boxer-briefs and seeing the bulge there. It made something in my belly tighten.

"I told you." He sank to his knees on the tile in front of me. "I'm hungry."

From reader reviews:

Rosa Nguyen:

Nowadays reading books become more and more than want or need but also get a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want drive more knowledge just go with education books but if you want really feel happy read one together with theme for entertaining including comic or novel. Typically the Babysitting The Baumgartners is kind of guide which is giving the reader erratic experience.

John Richey:

Playing with family in a very park, coming to see the water world or hanging out with friends is thing that usually you could have done when you have spare time, in that case why you don't try factor that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Babysitting The Baumgartners, it is possible to enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang-out type is it? Oh occur its mind hangout men. What? Still don't understand it, oh come on its referred to as reading friends.

Katrina Frey:

Do you have something that you like such as book? The e-book lovers usually prefer to select book like comic, limited story and the biggest some may be novel. Now, why not hoping Babysitting The Baumgartners that give your entertainment preference will be satisfied simply by reading this book. Reading behavior all over the world can be said as the means for people to know world far better then how they react toward the world. It can't be stated constantly that reading practice only for the geeky man but for all of you who wants to be success person. So , for all you who want to start studying as your good habit, it is possible to pick Babysitting The Baumgartners become your starter.

Lena Drew:

Is it anyone who having spare time after that spend it whole day simply by watching television programs or just laying on the bed? Do you need something totally new? This Babysitting The Baumgartners can be the reply, oh how comes? A fresh book you know. You are consequently out of date, spending your time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
