Butterflies of Central Texas: A Guide to Common & Notable Species Valerie G. Bugh

Butterflies of Central Texas is a durable laminated folding guide, perfect for carrying in the field. The slender dimensions fit in a pocket or backpack. Covering 83 butterflies found throughout the Hill Country, from Waco to San Antonio to Fredericksburg, the layout allows for quick comparison between similar species. Typical wing positions at rest are shown (open vs. closed) for each species and many caterpillars are also included. Informational text gives both common and Latin names, size, larval host plants, and flight seasons.
