"Infidelity: The Roots of a Broken Man" will shed light on truths not often revealed in the same context when speaking of a 'man'. Credited with being the 'strong one', the words 'broken man' are not readily-viewed as acceptable in the eyes of the world. Within the pages of this piece of literary art, you will meet Joseph; a man confronting truths that steered his life onto pothole-ridden paths with reckless abandon. You will come to know a man who has searched for something that exists, yet is just out of reach due to tragic experiences and haphazard decisions made all throughout his life. The very thing he despised was the very thing that fueled his desires...and his rage. His search for the truth leads him to a place he's been time and again - but had previously overlooked. He knew fear. He has looked insecurity square in the eye. Embarrassment has had its place riding shotgun for far too long. The time had arrived for Joseph to be freed from the vicious cycle of torment. From childhood to adulthood, the place he believes he will find refuge is the breeding ground for the final stage of the life he was used to living. The culmination of it all sparks his desire to STOP searching and finally START living!
