Representing Plaintiffs in Personal Injury Cases: Leading Lawyers on Managing Discovery, Preparing Witnesses, and Presenting the Plaintiff's Case (Inside the Minds) Multiple Authors

Representing Plaintiffs in Personal Injury Cases provides an authoritative, insider's perspective on key strategies for representing and advising plaintiffs in personal injury disputes. Featuring experienced partners from law firms across the country, these authors guide the reader through the process of bringing a successful complaint, including utilizing experts, considering venue options, and presenting compelling evidence to the jury. These top lawyers offer advice on handling the discovery process, preparing witnesses for trial, and most importantly, proving negligence. From researching the complaint to managing expenses, these leaders stress the importance of creating open lines of communication with clients. This book also discusses the role of alternative dispute resolution in personal injury cases. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this ever-evolving field.

Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities.
